

Cover profiles

- For fixing cables in position
 - To prevent dirt from entering the profile slot
 - Attractive design
 - Soft PVC cover profile for 6 mm slot is provided as a roller
 - Flush with profile
-
- An ESD-conductive connection between the cover profile and the strut profile must be ensured through a design solution, e.g. screw

Product description

Introduction to strut profiles

Ordering codes

	Color	Groove	L (mm)		ESD No.
